

# A Universe of Stories!

## Summer Reading Bookmark Art Contest

The Maricopa County Library District provides an annual Summer Reading Program to help children & teens increase their reading level with different literary activities.

In an effort to promote Summer Reading this year we would like to host an art contest with the youth of Fountain Hills.

Participants will design the artwork for a bookmark... based on this year's space theme: "A Universe of Stories" In addition to the science of space we will also focus on the history of exploration, as well as social impact.

The Board of Directors of the nonprofit organization, Fountain Hills Friends of the Library, will select a winner from 4 grade-level categories.

The winner of each category will receive a fun summer prize. Their artwork will be used in a promotional bookmark made available to all children & teens in Fountain Hills.

Beginning in May 2019 visit our website, [www.mclidaz.org](http://www.mclidaz.org), to learn more about our Summer Reading Program and Kick-Off Event.
